We have received your letter dated October 27, 2010, requesting qualification to termination "K" for your CWR06, CWR11, and CWR16 styles manufactured in Israel. After reviewing the specification, your request is approved. Therefore, the next revision or amendment of Qualified Products List (QPL) 55365 will include termination "K" for these products.

Because we are held responsible for the accuracy and currency of this QPL, your company must let us know if it discontinues production of this product.

If you have any questions concerning this letter, please call Mr. Jeffrey Zern, 614-692-0597.

Sincerely,
